PRESS RELEASE

Wireless Communications Scholarships Awarded by ETA® International and IWCE

Greencastle, IN- December 5, 2025. – To help meet the growing demand for certified wireless communications professionals—and to encourage both students and U.S. Military personnel to pursue careers in this critical field—ETA® International (ETA) and the International Wireless Communications Expo (IWCE) are partnering to award two scholarships for attendance at the 2026 Education Forum.

The event, scheduled for **March 16–19, 2026**, at the **Las Vegas Convention Center**, will provide scholarship recipients with premier access to ETA's 2026 Education Forum, co-located with IWCE. As part of this exclusive professional development experience, recipients may choose from **13 hands-on ETA training courses** offered throughout the week—each designed to build technical expertise, reinforce industry best practices, and advance career readiness.

Students and Military personnel:

If you have a **minimum 2.5 GPA** and a strong interest in a wireless communications career, this opportunity is for you! Submit an essay of **1,000 words or less** describing your ideal career path in wireless communications.

Scholarship winners will receive:

- An IWCE conference pass
- One round-trip coach airfare (up to \$600)
- A **three-night hotel stay** at an IWCE host hotel
- **One ETA training class** of choice (with instructor approval)

Submit your essay along with a current résumé, cover letter, and photo **by January 1, 2026**, to enter the Student Scholarship Essay Contest.

About ETA: Founded in 1978 by electronics technicians, ETA® International is a not-for-profit 501(c)(6) association whose mission is to represent and support the technical professional.
