# PRESS RELEASE

# ETA Announces an Online Portal

**(Greencastle, Indiana) May 30, 2023:** ETA® International upgraded to an online portal on May 1st, 2023 that allows ETA members and customers to view and manage their ETA certifications. Users are able to login with their primary email that is linked to their account through ETA and view everything in their account.

This new portal allows members and customers to:

- View their ETA certifications and see when/if they expire
- View/renew their ETA membership
- Submit maintenance documents through a link (Maintenance Forms and Employer Verification Forms)
- Self-Report Continuing Education (CECs/CEUs)
- Post or view jobs on the Online Job Board
- Shop in ETA's Online Store
- Edit/update their personal contact information
- Print receipts/invoices
- Store credit card information for automatic payments and store purchases
- Access to *High Tech News* (HTN) archives, member voting links, discounts, Back to Basics Corner, and more!

Users are encouraged to log into the online portal and view all of these new features. When logging in for the first time, users will be prompted to reset their password before logging in. For new users who only want to access the job board or online store, they are prompted to click "Join". If there are any issues, please contact ETA® International by emailing eta@etai.org or call toll-free at (800) 288-3824.

***About ETA** - Founded in 1978 by electronics technicians, ETA® International is a not-for-profit 501(c)(6) association whose mission is to represent and support the technical professional. ETA offers over 80 accredited, vendor-neutral certification programs in a variety of technology fields such as fiber optics, communications, electronics, biomedical, smart home, and renewable energy. ETA aligns with the ISO 17024 standard, vocational and education curriculums, and businesses' resource initiatives through certification programs, conferences, and publications.
