ETA[®] INTERNATIONAL

PRESS RELEASE

Education Forum at IWCE Changes Spring Conference to September

ETA[®] International and the International Wireless Communications Expo are excited to announce that ETA's Education Forum at IWCE 2021 will take place September 27-30. ETA and IWCE will be hard at work in the next nine months to put together the co-located conferences to deliver in-person hands-on training leading to industry-recognized and vendor-neutral certification.

Greencastle, December 11, 2020: While watching the world evolve since March 2020 with hopes to reunite in-person for ETA International's Education Forum at the International Wireless Communications Expo (IWCE) by March 2021, it's apparent that the world isn't quite ready for that just yet. Because of this, ETA and IWCE are eager to share the news that Education Forum at IWCE 2021 will take place September 27-30 at the Las Vegas Convention Center in Las Vegas, Nevada.

Many attendees and exhibitors use Education Forum at IWCE as a launching pad for the year to learn, get certified, strategize, and build relationships. So conference attendees who paid to attend the 2020 live event will automatically have access to attend the 2021 event in the Fall with a pass of equal value.* The availability to use these credits towards other digital opportunities will be announced in the near future.

Recognizing the importance of keeping the Education Forum and IWCE communities connected in the coming months, ETA will be working with IWCE and its content partner – IWCE's Urgent Communications - to bring more opportunities to connect until meeting in person in September.

While 2020 may have been a disruptive year for the electronics and wireless communications industries on every level, ETA and IWCE has strong confidence in their collective ability to persevere, overcome and progress.

Interested in speaking at Education Forum during IWCE 2021? ETA's Call for Speakers is now open. If you want to be a thought leader during Education Forum at IWCE 2021, submit a speaker proposal by February 18, 2021 at https://www.eta-i.org/education_forum_call_for_presentations_form.html.

*Offer is valid for registered IWCE 2020 attendees only. Not valid for companies that are no longer sponsoring or exhibiting. This offer is subject to review and approval by the IWCE event team. IWCE reserves the right to deny registrants who do not meet these qualifications.

About ETA[®] International - Since 1978, ETA has delivered over 200,000 certification examinations successfully. Widely recognized and frequently used in worker job selection, hiring processes, pay increases, and advancements, ETA certifications are often required as companies bid on contracts. ETA's certifications are personal and travel with the individual, regardless of employment or status change and measure competencies of persons, not products or vendors. ETA certifications are accredited through the International Certification Accreditation Council (ICAC) and align with the ISO-17024 standard. www.eta-i.org

About ETA's Education Forum - ETA is proud to host hands-on training through outside vendors in popular technology areas related to ETA certification during Education Forum, co-located with the International Wireless Communications Expo, September 27-30, 2021, in Las Vegas, NV. ETA's partners, the industry's most respected trainers, will provide in-depth hands-on training in key areas of expertise. Following each training class, ETA will provide opportunities to test for ETA certification. http://www.eta-i.org/education_forum.html

About International Wireless Communications Expo (IWCE) - Since 1977, the International Wireless Communications Expo (IWCE) has been the authoritative annual event for communications technology professionals. IWCE features over 370 exhibitors showcasing the latest products and trends in the industry. Over 7,000 individuals attend from a diverse group of industry professionals including government/military, public safety, utility, transportation and business enterprise. IWCE 2021 will be September 27-30 at the Las Vegas Convention Center. For more information, visit www.iwceexpo.com
